

Terrington St Clement Community School

A traditional school with traditional values where we aspire, succeed and thrive

17th June 2022

Dear Parent/Carers

I hope you all had a pleasant half term. It's lovely to see everyone looking so refreshed and ready for the last half term.

This year truly seems to have flown by!

We have lots of exciting events happening over this half term. I hope that you will be able to join us for some of them.

Our Open Evening on 14th July will be a great opportunity to view work completed during our Global Citizenship Display in the hall, meet your child's new teacher and visit their new classroom. We are also planning to hold our very first sports day for a while after they were cancelled or held without parents for the past two years.

For Y6 parents, our learners are busy rehearsing for an end of school performance. There will be two performances for parents to attend at the end of term, together with an Afternoon Tea for parents and pupils to celebrate their time at our school.

Another date for the diary is the FOSA Fete & Boot Sale on 16th July. My thanks to the committee who are working so hard to make this a great event. The FOSA Friday Pop Up Shop is also creating quite a stir and yesterday's Fathers' Day Sale was also a great success. If you feel able to contribute a few hours of your time to help our committee, please do let them know. They are a friendly group and make a significant contribution to our school and would happily welcome new supporters.

Parent Governor Election

Unfortunately, due to work commitments, Annalisa West has had to step down as one of our parent governors. I would like to take this opportunity to thank Annalisa for her contribution to our school over the past year. As you will be aware, this has left a vacancy for a parent governor. You can find out more about how to what this role entails [on our website](#). The deadline for nominations is Monday 20th June 2022.

Transition

This year we are able to hold our transition afternoon's again. They will get the chance to spend each afternoon in their new classes with their new teacher. These will happen on Mon 4th, 11th and 18th July. Your child will also bring a slip home on Monday 4th July telling you who their new teacher is.

Your child's report will be sent home on Tuesday 12th July. Any separated parents that require a separate copy will need to contact the school office if you have not already made us aware of this.

[On our website](#) you will find more information about what we will be doing in these sessions.

The logo for 'TRANSITIONS' features the word in a bold, sans-serif font. The letters 'A', 'S', 'I', and 'O' are yellow, while 'N', 'S', 'I', and 'O' are blue. Vertical arrows point downwards from the letters 'A', 'S', 'I', and 'O'.

Sometimes, It's not Easy Being a Parent...

We know - parenting is fun, rewarding, fulfilling and sometimes just really exhausting And hard work! Children do not come with manuals and everyone has to deal with challenging situations at times, where we want to support our children as best we can but are not sure of the best path to follow.

As you know our Home School Support Worker, Sue Mills is available for a chat if you think you need some advice/support. However, alongside this, we are delighted to be able to start promoting our Parent Library. We have a selection of easy to follow self-help books to appeal to all which may hold just the key to help you support your child deal with some big emotions/challenges at times.

These are available to borrow from school. To launch this, Sue Mills will be running a parent library stall alongside the pop up FOSA shop each Friday until the end of term starting next Friday. Please do come and take a look and don't feel embarrassed about borrowing a book. It's positive that as a community we all want to do the very best for our children.

More information about the books available to borrow are [on our website](#).
