

# Terrington St Clement Community School

*A traditional school with traditional values where we aspire, succeed and thrive*

13th July 2022

Dear Parent/Carers

This is my last newsletter of this year. Thank you all for your support over the past year. What promised to be a "normal" year was certainly far from that and I know that our community continued to be challenged by Covid absences. However, we are positive for the coming academic year and hope that things continue to improve and we keep everyone in school. We know how vital school attendance is for future success (staff and pupils) so have lots of exciting initiatives starting up again to promote good attendance next year. Parents/carers can help by ensuring that family holidays are booked outside of term time. Governors have just agreed our INSET days for 23-24 so visit our [school website](#) if you want to plan ahead.

We have a few staff changes for September. I wrote to Lemon's parents earlier this week, but sadly Mrs Duncan will not be returning due to personal circumstances. Mrs Sahin in our SRB is moving to a position closer to her home. We wish them both well..

We held a successful EYFS sports day last week and we look forward to welcoming parents to Thursday's event.. Next week some of our musicians will be performing for us in an assembly and our Y6's are putting on their end of year performance.

I hope you have a pleasant summer and look forward to seeing you next year..

## Class/Whole School Letters

Click [here](#) to see all of the letters we send home to parents/carers. The only ones not published are for competitions, where there are only a few letters sent.

## FOSA Fete

We look forward to seeing lots of you there on Saturday 16th July between 10-2. We are keeping an eye on the weather and we may possibly shorten the event should the heat warning move to the Saturday. It's looking okay at the moment but don't forget your hats and suncream!

## Parent Governor Election

We are very grateful to Mrs Kerry Buttriss for putting herself forward in our recent governor nominations. Kerry has now joined our Governing Body and we look forward to welcoming her on the team.

## Reports

We hope you have found your child's reports informative. Please remember to complete the feedback forms with your child and send these back. Teachers spend a great deal of time putting these together and appreciate the feedback. It's also great to include our learners so they know what areas they need to work on and what they are doing well. The partnership between school and home is vital to helping our learners succeed.

## FOSA Fundraising

One of our parents has been able to secure a donation from Germaines Seed Technology, a local company based in Kings Lynn.

This has really helped our fundraising efforts.  
Thank You!

## Congratulations!

Violet K in 5/6P was selected and represented the Eastern Counties inter county roller hockey championship and her team came second. Well done Violet!

## Sporting Achievements

We have had recent sporting success. Our learners qualified for the School Games Finals in tennis and cricket, a county level competition. Terrington Tornados (tennis) finished 3<sup>rd</sup> out of 32 schools. The girls cricket team finished 3<sup>rd</sup> out of 12 schools meaning both teams finished 3<sup>rd</sup> in the county. Well done all!

## EYFS Sports Day

Thank you to all the parents/ carers or grandparents who attended our EYFS Sports Day. The children really enjoyed it and did themselves proud. Click [here](#) to see more of the photographs.

## Open Evening

Don't forget to come along to our Open Evening on Thursday 14th July at 3.30pm - 5pm. This will be a great opportunity to view our Global Citizenship Week Display in the hall. This will showcase some of the great work completed by our learners. You will also be able to see your child's new class base and meet new teachers.

## PE

In September we will be reverting back to having 2 PE sessions a week instead of the Active Me sessions. Our learners will need to keep their kit in school so that they can get changed in classrooms. We are keen to build our learners independence and staff feel this will help them master this important life skill. This means that pupils will need to attend in full uniform everyday.

**PE Kit** (kept in school in a named PE bag)

Plain white T-shirt with or without school logo

Plain navy blue shorts/skorts

Warm outer clothing such as sweatshirt and jogging bottoms (navy, black or dark grey)

Training shoes/Plimsolls (black or white)
