Dear Parent/Carers

It has been lovely to see so many of you at Parent/Teacher Consultations this week and to hear how impressed you are with our learners' work in books so far. Don't forget we have another evening coming up next Thursday so don't forget to book up if you haven't already. Thank you to all who attended our recent information events. We hope these were useful.

We have lots of exciting events on our calendar coming up. The sport festivals and competitions are well underway and we are already having some success; 24 of our Cross Country Athletes got through to the next stages. FOSA are working hard to plan a school disco for the end of term. The last Friday is also a non-uniform day.

Last week, we all took part in National Poetry Day and performed our poems to each other in a school assembly. We were so impressed with the confidence of our learners speaking to such a large group. EYFS performed their poems to each other in a smaller group and again impressed me with some super actions!

In the final week of half term, we shall be taking part in STEM (Science, Technology, Engineering and Maths) week. Learners will be learning about a key figure or key occupation within STEM and then producing an image for our Aspiration Corridor display. We want to encourage our learners to aim high!

Upcoming Diary Dates

Class/Whole School Letters

Click [here](#) to see the letters we send home to parents/carers. The only ones not published are for competitions, where there are only a few letters sent.

We are always keen to know what your children are doing outside of school. [Click here to see our latest news article about one of our learners.](#)

Music at Terrington

Our musician in residence has settled in well and KS2 are enjoying the opportunity to experience playing different instruments. Currently Y3/4 are learning the ukulele and Y5/6 are trying their hand at learning a brass instrument. Take a [look at our gallery](#) pages. Great fun is being had by all!

Hockey Festival

A great time was had by all.. A special mention must go to Liam and Luke as they got player of the Team. Well done!

Request for Leave of Absence

The government are expecting all schools to focus on maintaining good attendance. At our school, attendance is currently 94.6% which is a great start for this point in the year. Any absences early on affect this more so than later in the year and we appreciate there are some bugs circulating, so well done everyone!

As you all know holidays in term time are not authorised. If you have more than 4.5 sessions of unauthorised leave over a 6 week period a fixed penalty notice will be applied for as per LA guidelines. If you book 4 days off for a holiday it won't go to fine but if your child is off sick before or after the holiday, please don't be offended when you are asked to provide evidence of your holiday dates.

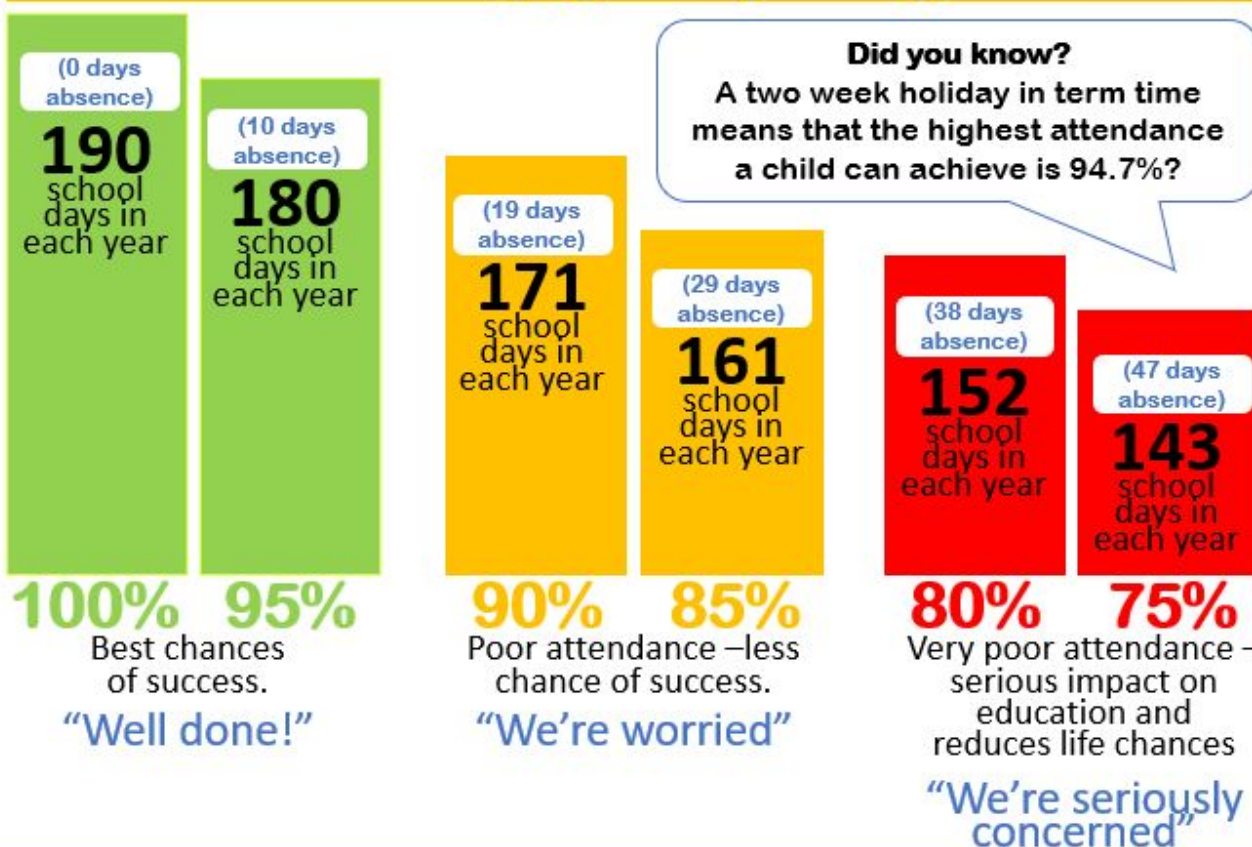

Good attendance means...

being in school at least 95% of the time or 180 to 190 days

175 days not at school!

All this time for shopping, holidays and appointments

365 days in a calendar year

Did you know?

A two week holiday in term time means that the highest attendance a child can achieve is 94.7%?

Reading Badges

We gave out 210 badges last year. Lets see if we can beat that this year!!

I've had lots of chats with Our learners this week who are all determined to get that badge. I wonder who will be first?! Teachers are trying hard and we'd love to hear if any parents/ carers are taking part too. Let us know. It's a great model for our learners.

Mr Bouskill's Violin Groups

A special mention to these children. Mr Bouskill has been so impressed with their Growth Mindset - they make mistakes, take risks and keep practicing. Fantastic!

FOSA Logo Competition

Thank you to all the children who took part to design a new logo for FOSA.

The winner was Dilan B in 3/4H, 2nd prize went to Lois who left us in July to go to secondary school and 3rd place was Gracie S in 1/2 JR.

The new design will be revealed soon.

TT Rock Stars - Challenge Results

We were delighted that so many learners took part in our recent challenge. The top contributors in each class were rewarded in assembly and the top classes were...

5/6D and 3/4MH
