

Welcome to Year 2

Dear Parent/Carer,

In Year 2 we will maintain many familiar routines to help your child quickly settle into their new class and make the whole experience as positive as possible;

- We will continue to send home reading diaries and encourage the children to write their own responses and answers to comprehension questions.
- Spellings will be assessed weekly and the children will be informed of target words they may need to practise and their progress will be displayed on the Champion Spellers display in the classroom.
- Homework will continue to be handed out each term and will be in a project format.
- Once timetables are established in school we will send a letter out informing you which days your child has P.E. and the appropriate kit they will need.
- Children are provided with a fruit snack at break or can bring in their own healthy snack from home. They will need to bring a water bottle from home to drink throughout the school day.
- Children eat their dinners in the classroom and can order a hot meal, a vegetarian option or jacket potato. If parents/carers wish to send their child to school with a packed lunch this is also accepted.

If you have any further queries or suggestions for your child's class teacher please fill in the slip in class.
