

# Terrington St Clement Community School

*A traditional school with traditional values where we aspire, succeed and thrive*

9th January 2023

Dear Parents/Carers,

Welcome back! I know there were lots of bugs around over the holidays so hope this didn't impact on your festivities too much. Our learners came back raring to go and staff have been very pleased with some great learning attitudes. Fingers crossed we can all keep well and achieve that great attendance.

We are continuing with our focus on our "Golden Rules" (Ready, Respectful, Safe) this term. We will be continuing our assemblies based on being respectful over the next few weeks. Look out for the video links and discussion points sent home via MM. Our learners have really impressed us with their demonstration of this important skill and it's been lovely to award so many "Secret Teacher" postcards.

This term we welcome Miss Monk to our team. Miss Monk will be teaching in Oranges Monday to Wednesday to allow Miss Adams time to fulfill her other role of Deputy Head.

Finally, we ended last term with a Musical Celebration Assembly to showcase our budding musicians. It was an uplifting performance and lovely to see our learners perform with such confidence. Our Musician in Residence, Mr Taylor is ensuring that every child in KS2 has a chance to experience learning a musical instrument. I know our learners are really enjoying this opportunity.

## Class/Whole School Letters

Click [here](#) to see all of the letters we send home to parents/carers. The only ones not published are for competitions, where there are only a few letters sent.

## New Year Resolutions

Did you know that only 20% or 1 in 5 children are read to in the UK once they enter Y3? Let's see if we can buck the trend at Terrington. Even if your child can read with some fluency, reading aloud to your child will help them develop concentration, memory and problem solving skills, not to mention strengthening your bond with your child. ([Incredible Benefits to Reading with your child every day](#)). This term, any child that reads daily at home will be entered into a weekly class raffle. Let's get reading together!

## Attendance

# 100%

Miss Conner and the children thoroughly enjoyed the Head Teacher's Tea Party on the last day of term. 50 children joined her as they had achieved 100% attendance in the Autumn term which is a fantastic achievement.

Maybe your child will be joining her at the end of the Spring Term for the Pizza Party if they get 100% attendance for this term.

We also sent out 190 certificates for 100% attendance in December. This is something we do every month so best of luck for January. We can do it!

## Looking for some new activities for your child?

There is new Dodgeball Club starting up at Hodgson Fitness.

Flyers are available in the foyer by the office if you are interested.

## JUMP X SKIPPING CHALLENGE

As you probably know your children have been skipping every day for the last few weeks of the Autumn term, as part of the Jump X Skipping Challenge.

I am pleased to say that our school finished 7<sup>th</sup> overall in this challenge. As a result of scoring over 1 million jumps, we are going to receive 30 new skipping ropes which will be put in a box to be used a breaktimes and lunchtimes.

Children who took part will be given a certificate. Well done everyone!

## SQUID PAYMENTS

Thank you for the majority of parents who pay for lunches and breakfast club promptly.

The office are spending a lot of time chasing up outstanding money, which as you can imagine is time consuming. We would be grateful if you could pay at the beginning of the week and we can always issue a refund if needed.

Thank you.

## Daily Cheese Toasted Bagel

You may remember, I let you know there was an offer on Squid for bagels back in November. The funding for this has reduced further so any contribution would be gratefully received but we do not want to put any pressure on families if you can't afford it.

There is a new offer on Squid for the Spring Term.
