

Terrington St Clement Community School

*A traditional school with traditional values where
we aspire, succeed and thrive*

27th January 2023

Dear Parents/Carers,

It will be lovely to welcome you to our parents meetings over the next couple of weeks. Well done to the vast majority of parents who have already booked their slot. Don't forget to book up if you are yet to do so. I've seen some great writing over the past few weeks. Our learners are working really hard to improve their stamina for writing and I know will thoroughly enjoy sharing their achievements with you when you attend school for your meeting.

Please look out for some great FOSA events coming this term. Already in the pipeline are our annual Mother's Day Sale and an end of term Coffee & Doughnuts (just before Easter). Sounds great!

This week our Y1/2 learners visited the church as part of their RE topic. They had a great time finding different symbols around the building and were well behaved and keen to participate. A credit to our school - well done!

Baby news

We are delighted to let you know that Mrs Penfold is expecting her second baby.

She starts her maternity leave in May and we wish Mr and Mrs Penfold all the best for this exciting new arrival. Cover has already been arranged for the day that she teaches in 5/6S and we will share this with the relevant parents shortly.

A big thank you to everyone who contributed to the Poppy Appeal at school. We raised a total of £504.00. An amazing effort!

Safer Internet Day

On 7th February we will be completing activities in school around Internet safety. We will also be having a poster competition, so look out for information coming home.

Norfolk Constabulary are also running online safety webinars which you may find useful.

There is a news article on the website so you can view this easier if you want to book. [Click here](#)

Digifest 2023

This event is being held in libraries across Norfolk during February – this is the 4th year that the event is being held is full of exciting and interesting events that will hopefully inspire our children, young people, parents and guardians throughout the county in creative digital technologies. The libraries will also be continuing with a number of these clubs over the coming year.

A link to the associated press release is given below which will contain some further information you can use.
