

# Terrington St Clement Community School

*A traditional school with traditional values where  
we aspire, succeed and thrive*

17th March 2023

Dear Parents/Carers,

Following Y1/2's successful trip, our Y5&6 also had a great time visiting King's Lynn museums a couple of weeks ago. This time to learn about life during World War II. They were a credit to our school and came back full of information. I'm told it was a great success! This month, Y3/4 have a visiting artist who will be working with them to create clay models. We are planning a trip for Y3/4 in the Summer Term too. We know how much our learners get out of attending trips but are trying to balance this with pressures on your finances so hope we are striking a good balance with this.

Unfortunately, I have some sad news to share with you in this newsletter. Miss Charlton will be leaving us at the end of this term. She has been a popular teacher at our school and I know will be missed by us all. I'm sure you will join with me in wishing her the very best for the future. Mrs Forth will be joining us in her place and will be teaching in Y3/4 from after Easter. We look forward to welcoming her to our community. Parents in 3/4FC are already aware of these changes.

FOSA ran a really successful Mothers' Day Sale today. Thank you for supporting this. Our learners have been very pleased with their purchases and I am sure mums will enjoy their choices on Sunday. This is such a lovely way to teach our learners to think of others. My thanks to FOSA to arranging these events.

Finally, we are delighted to be able to send home an Easter book with your child again this term. Regrettably, school budgets are being squeezed over the coming years so this is unlikely to continue.

## Parent Library

Miss Mills has asked if any parents that have borrowed books from the parent Library return them as there are other parents waiting.

If you want to find out more about our Parent Library [click here](#). Being a parent doesn't come with a manual and we all need help/advice sometimes. Miss Mills, our Home, School Support Worker is here to listen to and help you with any worries that you or your child may have. Do call the office to request an appointment if you think this would help. There is also a wealth of advice and resources on the [JUST ONE NORFOLK](#) website.

## Writing Stamina

One of the things we've been focusing on in school this year, is improving our learner's stamina for writing. Successive lockdowns and the move to increased screen time has reduced the opportunities to write and is impacting on our learners.

One of the ways that we have been tackling this in school is by providing opportunities in school to "Just Write." This is not a structured lesson, it just provides our learners with inspiration and then gives them the opportunity to "just write," their ideas. Our learners love these sessions and it's lovely to read some of their creative ideas.

There are lots of ways that we can encourage even the most reluctant of writers to get writing. It's such an important life skill. There are lots of ways that you can help encourage this skill at home too.
