

Terrington St Clement Community School

*A traditional school with traditional values where
we aspire, succeed and thrive*

21st April 2023

Dear Parents/Carers,

I hope you all had a good break. Everyone seems to have returned to school looking refreshed and ready to learn which is great. The sunshine and lighter days have definitely helped settle us all back into school routines.

The summer term is always full of lots of exciting activities and events to look forward to. Coming up first is our marking of the King's Coronation on Friday 5th May. FOSA are organising a non-uniform day where everyone will be encouraged to wear Red, White & Blue. The kitchen are organising a special picnic meal, similar to the Jubilee celebrations last year, although this might take place indoors this time unless the weather heats up!

There are a few staff changes to inform you about in this newsletter. This term we welcomed Mrs Forth onto our teaching team in year 3/4. She's done a great job of hitting the ground running and it's great to have a new member of the team. Many of you will have noticed that Mrs Penfold has been absent for a few weeks. She is shortly due to have her second child and has made the decision to be a stay at home mum following the birth so will not be returning. I am sure you will join us in wishing her all the best. Mrs Goudie has been teaching on Wednesdays in 5/6S and will continue this until the end of this year.

Finally, thank you to all of the parents/carers who have been able to support us during our open sessions this year. It's always lovely to invite parents/carers in and our learners are incredibly excited to show us a glimpse of school life.

Y3/4 Art Day

At the end of last term, Y3/4 were visited by some artists and made some clay models. As part of this visit, they attended the church grounds to make some sketches. The children were a credit to us and thoroughly enjoyed their day.

Scabies

Norfolk County Council have asked us to share information with families about Scabies as there has been an increase in cases.

We have put the fact sheet on the website and [here is the link.](#)

Congratulations!

Danni has been competing this year and has retained her title from last year of Mini Girls' Indoor British Speed Skating Champion. She won gold in each of her three races

She was also presented with her Champion Absolute cup for last year's events in the indoor and outdoor British Championships and the Road Race series of competitions.

She was also selected by the federation for most improved skater of the year for 2022, unfortunately they ran out of time to present this award, so hopefully she will get this at the next race in April.

Thank You & Well Done!

Finley and Ollie had a very busy Easter Break! They know that FOSA are working hard to raise money for a playground multi-use shelter and decided that they wanted to do their bit to help. So they set up a sponsored walk from Sutton Bridge to Terrington and back and did a fabulous job, raising almost £500! Thank you boys, we're extremely proud of you. Thank you too to everyone that supported them, including Clements who generously donated free sandwiches, chips and squash to the children.
