

Terrington St Clement Community School

A traditional school with traditional values where we aspire, succeed and thrive

3rd November 2023

Dear Parents/Carers,

Welcome back to school after the half term break. I hope you all enjoyed this time away from school routines. It's been great to see our learners back in school and raring to go.

We have lots planned for the next few weeks. Next week, we will be celebrating our Harvest Festival on Monday. Mark Paxton will be visiting from St Clement's Church to lead our assemblies on Monday. Thank you everyone that has already started contributing. All contributions received will go to the Food Bank.

Remembrance Sunday is also coming up. We are selling poppies and a variety of other remembrance day memorabilia from the school office on behalf of the Royal Legion. Five of our Y6 pupils will also be participating in the village Remembrance Day Service and representing our school. They are William B, Madison P, Stanley P, Evelyn P and Nellie C.

The following week is Anti-Bullying Week. We will once again be encouraging our learners to wear odd socks to school on Monday 13th November to help us celebrate what makes us unique. You can find out more about this on our website by following the link below:

There is also some useful advice for parents about this. More information about our approach to tackling bullying in school can be found on page 2.

School Crossing

Please remember to use the crossing to cross the road safely. We had a member of the public come in to tell us they had a near miss the other day, as people were crossing the road just before the crossing.

Thank you

Are you a Times Table Rockstar?

All of our learners from Y1 to Y6 will have a [TT Rockstar](#) login. Times tables are such a vital tool for later mathematical success. To encourage our learners to get learning we provide the opportunity to earn a Bronze, Silver, Gold and finally a Platinum badge to show off their Times Table prowess. You can find out more about both of this initiatives and ways to support your child on our [Website](#).

Anti-Bullying

We are a "Telling School."

When is it bullying?

What should I do?

We all know that children come to school to learn. That learning includes learning about how to interact and behave kindly with each other. It isn't easy, let's face it even adults struggle with this at times, but by looking out for each other and telling others when things go wrong, we can resolve problems together. You can find out more about our procedures in our [Anti-Bullying Policy](#).

Reading Badges

Each year we encourage our learners to read (share for our EYFS) 20 age appropriate books and award them a badge for this achievement. There is a different colour to collect each year. Let's see if we can beat last year's total of 238 badges awarded. There are some great [recommended reading books on our website](#) to help your child get hooked and keep on reading. There are different colours for each year group and learners are celebrated in our weekly Celebration Assembly. If you need any guidance about how you can support your child to engage in this challenge, please do speak to your class teacher who will be happy to help. Successful readers really do achieve better and research also suggests that [children who read for pleasure have better mental health](#). Even more reason to make sure we instil that essential reading habit early on.

Well done to the learners below who have already achieved their badge!

Nursery - Elsie, Aaron F, Paisley K,
Gregory, Rosie, Joey, Amelia, Lilah
Y5 - Tilly B

Also, if your child reads everyday they are entered into a weekly raffle. Even more reasons to keep on reading.
