

The monster in the maze

It first started off with a whisper. until it got louder and louder.

But no one believed that Theseus had returned. The people of Athens shouted "maybe he is the hero we have been waiting for. but the city has been cursed for eighteen long years why did he want to come back. The city had been cursed by King Minos. King Aegeus told Theseus he had to kill the minotaur. "Why me?" because if you do you will become the hero of Athens said King Aegeus. Theseus shouted "If I succeed I'll change my sails from black to white. Late that night, Theseus arrived at Crete and saw a beautiful girl named Ariadne and Theseus thought she was pretty. Early the next morning Theseus arrived in the horrible dungeons. Suddenly he heard a pss + "I'm at the window" said a little girl. "Hi I'm Ariadne I'm the king's daughter and I've got two gifts for you It's magic string and a dagger." "good luck Theseus." "OK thanks don't worry I'll be going" The next morning, Theseus was petrified because soon he had to face the minotaur.

He had a cloak of armour with the dagger Theseus killed the minotaur. With the string he tied the dagger to his belt. Then a soldier appeared and grabbed Theseus and kicked him into the maze. Suddenly Theseus heard a bawling noise that made the floor and walls shake like an earthquake. Also he heard the words meat! meat! want man meat to eat. Theseus felt very scared to face the minotaur. The minotaur had the head of a bull and the body of a man then with the dagger Theseus killed the minotaur. He used the magic string to find his way out of the twist and turns. Also the way out of the maze. But he was still stuck because the massive iron door but he spun around and the door opened wide so Theseus ran out of the maze "well done Theseus" said Ariadne because Ariadne was standing outside of the maze. Theseus and Ariadne sprinted to the boats but before they got there was a beam of light and out stepped a god. and said you can not marry Ariadne. so Theseus was to sail to change the sails. Everyday King Aegeus stood on a cliff. when he had seen
