Dear Parents/Carers

Re: Parent Consultation Meetings - Reception to Y6

We are keen to catch up with you and share how all learners have continued to settle into their class and are progressing in their work. These will be face to face meetings but as before, you will be given the option to request a telephone consultation instead, should you prefer.

Our meetings will take place on the following dates for all:

- Tuesday 6th February 3:30-6pm
- Thursday 15th February 3:30-6pm

To book an appointment please go to <https://terringtonstclementcommunity.schoolcloud.co.uk/> and fill in the login details. Make sure you put an email address and you will then get confirmation of your appointment by email. **If you have more than one child you will need to log in again and select your other child.** You then need to select booking mode. If you choose automatic it will select the next available time, or if you need a certain time, please choose manual.

Once you have selected the time you want, there is a box to leave a message for the teacher. If you wish to request a telephone consultation, please indicate this here. It would be really helpful if you also enter the best number to call you on. If you do request a telephone consultation, teachers will do their best to call you near to the time you requested. However, please bear with us as consultations do sometimes overrun. If we are unable to call you due to this or cannot get through, we will send a Marvellous Me message at the end of the evening and telephone you later that week instead.

You can find the link to the above website on the school website under the Parents section - Parents' Consultation.

If your child attends our nursery we will be having two stay and play sessions after half term. Information will be coming home about this soon.

Thank you, as always, for your continued support.

Yours faithfully

Miss A Conner
Headteacher

A Traditional school with traditional values where
we aspire, succeed and thrive
