2nd February 2026

Dear Parents/ Carers,

As you are aware our science topic this term has been “Animals Including Humans” during which we have been focusing on the different types of animals and how they can be classified. Within geography lessons we have also been learning about the different continents and countries around the world. To further support the children’s learning we have booked a trip to Banham Zoo on Wednesday 11th March 2026.

On the day of the trip, children will leave school promptly at 9 am. We will travel by coach to Banham and spend the day at the zoo. This includes both time to explore the animals and time spent in an animal themed workshop based on “Who lives where?”. We aim to return to school at 3:40 pm to ensure that children get the maximum time possible at the zoo.

The trip will cost £19.70 and will be payable on Parent Pay. We have costed the trip on the assumption that everyone will contribute, so please bear in mind if we do not get sufficient funds, we may have to cancel the trip. However, if you think you will have difficulties paying for the trip, please talk to Miss Conner as we do want everyone to attend.

On the day, please ensure that children are dressed in school uniform and comfortable shoes, they will also need to bring a coat in case of poor weather. Please provide a packed lunch for your child including plenty to drink. As always please avoid fizzy drinks, caffeine or nuts. If your child is entitled to free school meals, please use the form overleaf to order a lunch.

Please complete the slip overleaf and return by Friday 27th February.

If you have any further questions, please email the office.

Yours faithfully

Miss Rogers
3/4 Phase Leader
