

# Terrington St Clement Community School

*A traditional school with traditional values where  
we aspire, succeed and thrive*

9th March 2026

Dear Parents/Carers,

We have had a busy half term with lots of sports and music events. It's great to see our learners taking part in so many extracurricular activities! We are aware that some of these also take place outside of school. If your child has medals/trophies or certificates to share, please encourage them to bring them in so that we can celebrate with them in assemblies.

We also celebrated Book Week. Thank you parents for your efforts with costumes. We know what a tall ask this is! We tend to dress up every other year so will celebrate in a slightly different way next year. Hopefully this is a helpful halfway path which meets the needs of all. Lots of learners took part in the 20p book sale and everyone took part in book themed events throughout the week. Some of the children from the high school also attended and read with our learners.

This week is [Empathy Week](#). We have some great books to share on this theme and I have also set our learners a class challenge. Each class has flower garlands which will be awarded by staff to a learner that shows empathy towards one of their classmates. Their task is then to spot another child in their class showing empathy and pass it on. By the end of the week, everyone will have been spotted for showing kindness and empathy.

Finally Y3/4 are off to Banham Zoo on Wednesday. I'm sure they'll have great fun!

## **Scooters, Bikes & Playground Safety**

Thank you to everyone who jumps off their scooter/bike each morning as they enter the playground. The playground is very busy in the mornings and this helps us keep everyone safe. No e-scooters at all please.. We also have vehicles on the playground dropping off so children need to be closely supervised to ensure that they do not go past the bollards. Thank for helping us keep everyone safe.

## **School Meals**

From this week we will no longer be providing our salad bar in the Funky Food Hall or providing the option of milk as a drink with school meals. Water will be available as usual or your child can bring a drink from home. Unfortunately, the cost of food is continuing to rise and we can no longer afford to offer these extras whilst keeping the cost of meals down for parents. Some salad options will still be available for children who have these instead of the main vegetables provided as part of their meal. The provision of milk in EYFS is unchanged

## Big Norfolk Holiday Fun

Children who are entitled to free school meals have been sent home a flyer with information how to book free of charge on the activities.

The booking system is now live [Click here](#) to find out more information and what activities you can book on.

## ACHIEVEMENTS

On 26th February we took 2 girls football teams to Lynnsport. The Y3/4 team were runners up after the final game went to a golden goal so they qualified for the finals on 6th March. The Y5/6 team didn't qualify for the finals but everyone showed great team spirit and enjoyed the day.

You can find out more information on this link [Local Free Press](#)

Sadly, we couldn't quite manage to coordinate transport to the Y3/4 finals in Norwich despite our best efforts. The girls accepted this disappointment really well and one of our parents kindly donated some medals and trophies.

Last week we took 6 pupils to the hockey competition and we finished 6th out of 20. There was some great hockey being played and the children were a credit to the school.

## Magical Music

Our musicians have been very busy lately. Violinists visited Springwood earlier this term to take part in a joint school production. They did a fabulous job and thoroughly enjoyed the opportunity.

After a slight delay, due to the snow in January, our Young Voices Choir attended the event in Birmingham. It was such a fabulous opportunity for them and their feedback after the event is delightful. My sincere thanks to the staff who gave up so much of their time for free (until 12:30pm!) and to parents for your support in allowing your child to attend and having such a late night yourselves. We are already planning next year.

Young Voices was the best experience ever. It was so much fun and I can't wait to go again next year

I liked performing in front of so many people and my family came to watch me, which made me proud

I loved it, singing with the special guests was so cool. 10/10 would go again.
